ARBITRATION.

Treaty Nearly Completed Be tween This Country and England.

SCOTT JACKSON ASKS FOR A REHEARING.

Americans Recruiting For Cuba and Will Sall Soon.

Washington, Dec. H.—The negotiations between the United states and Great Britain for a treaty ingeneral arbitration covering all subjects of difference between the two English speaking nations, present and prospective, have advanced to a stage of completeness far beyond what the public has nat reason to believe. The purpose of Secretary Olmey and Sr Julian Pauncefote is to conclude the negotiations within the next three weeks. All of the substantial features of the concentration in the did not miss it until the next three weeks. All of the substantial features of the cate where the tength is a concentration of the public and prospective, have advanced to a stage of completeness far beyond what the public has not reason to be lieve. The purpose of Secretary Olmey and Sor Julian Pauncefote is to conclude the negotiations within the next three weeks. All of the substantial features of the cate where the tength is the form the proper of the next sense at a colored church for them about 16 years of age, purchased 25 cents worth of gun powder. Last night be procured a powder horn and began changing the powder from a glass fruit par in which he first placed in the form on the last of Oilleer Win. Wheelis, was presented on a peace warrant sworm ont by Mrs. Teny Burgess, of Jackson street.
